## **INSTRUCTIONS FOR COMPLETING THE NEW ADDRESS FORM**

**The following directions have been designed to aid in the accurate completion of this form. Please print or type all information requested.**

### **Application Information**

- 1. Print or type applicant's legal first name, middle initial and last name.**
- 2. Supply the telephone number at which the applicant may be currently reached.**
- 3. Supply the applicant's current mailing address, including city, state and zip code. Upon address approval, a New Address Notification Form will be sent to the applicant at this address, if an email address is not provided.**
- 4. Supply the name of the municipality (city, township, or borough) in which the new address structure is located.**
- 5. Provide an email address to expedite the delivery of your new address notification; otherwise it will be mailed to you via post office. Email addresses will not be used for any other purposes or sold.**

### **New Address Information**

- 6. Supply the name of the road or the route number that will be accessed by the new address structure. If the new structure will be located on a corner, please supply the road that will be accessed by the applicant's driveway. Also supply the phone number assigned to the new residence (if known).**
- 7. Supply the official address of the structure located nearest the applicant's new structure. The nearest addressed structure should access the same road or route number listed in Question 6.**
- 8. Supply accurate mileage between applicant's new structure and nearest structure listed in Question 7. This mileage should be as accurate as possible. General mileage may be obtained by using an automobile's odometer or tripometer to measure distance.**

9. Indicate whether a prior subdivision and/or land survey was performed at applicant's new address site. Place a check mark in the appropriate box.
10. Supply name of subdivision the applicant's new structure is located within or the name of the subdividor or landowner. (Answer only if Question 9 was Yes)
11. Indicate the type of construction of the applicant's new structure by placing a check mark in the appropriate box. Note that multiple family/site constructions must also indicate the number of families/sites to be located in the new structure. Strip malls or commercial businesses within one structure will need to be identified for each business. The purpose of this question is to determine if multiple addresses are needed. If so, please indicate the number of specific dwellings or business entities needing an address.
12. An apartment number or business office suite number is required if your address will be shared with others in the same structure.
13. Supply the parcel number, deed book/deed page number and acreage of the lot (s), if possible. Some information may be located on the applicant's deed.
